

Manisha is the head of business integration for the Low Latency Group of LSEG. She is responsible for leading the business integration of MayStreet, focusing on commercial, product, and marketing strategy. Pre-acquisition, Manisha was MayStreet's Chief Policy Officer focused on regulatory advocacy.

Prior to MayStreet, she served as Senior Policy Advisor, Regulatory Reporting to the SEC Chair on the Consolidated Audit Trail (CAT), where she was instrumental in the successful implementation of CAT. Additionally, she held senior regulatory roles at Refinitiv and the Financial Information Forum. While at Refinitiv, she served as chair of the CAT NMS Advisory Committee and on the SEC's Equity Market Structure Advisory Committee (EMSAC).

Ms. Kimmel holds a B.S. in Economics from the Wharton School and a B.S. in Engineering from the University of Pennsylvania.
